

Please note that all of the itineraries listed in our web site are actual private tour itineraries we have prepared for clients over the past 12-18 months. By the very nature of what we do, each private tour itinerary is custom, exclusive and unique unto itself. Our overriding goal is to create lifelong memories that you and your family will forever carry deep within your hearts.

Day 1

Fly to Johannesburg

Through our sister company, premium air provider TRAVNET, we may assist with your international airfare, as well as with mileage points conversion.

Day 2

Arrive Johannesburg + Transfer to Maun

Upon arrival in Maun, you will be privately transferred to the Peermont D' Oreale Grade Hotel.

Peermont D' Oreale Grade Hotel

With 182 rooms and suites, Peermont is slightly larger than we prefer, however the size of this hotel does not mean any less than 5-Star, high-touch service. Featuring the elegant Aurelia restaurant and an unparalleled spa, Peermont is as luxurious as it gets in South Africa. Watching the African sunset from Neptune's Pool Bar is not to be missed. Additional amenities include an art gallery, a cocktail bar and lounge, a swimming pool with bar, a 24-hr gym, a business center, and free wifi.

Meals: --

Accommodations: Peermont D'oreale Grande Hotel

Day 3

Johannesburg/Moremi

After breakfast, you will be assisted to a shared light mack air plane by our representative for your flight to Chief's Camp. This is only a 25 minute flight!

Chief's Camp

Chief's camp is yet another example of the many luxury safari camps to choose from in the predator-rich Okavango Delta. Set in the Moremi Game Reserve, Chief's Camp is made up of 10 luxury bush pavilions and one suite, all with private decks with plunge pools, as well as indoor and outdoor showers (using the outdoor showers in this remote, pristine environment is truly exhilarating!) We

particularly like the pavilion's polished teakwood floors, insect-proof netted windows and colorful batik fabrics. Other amenities include a new spa treatment room, a small pool, and picturesque dining area/observation deck. Based on the Chief's location overlooking a large lagoon on the northwest tip of Chief's Island, many mokoro (canoe/boat) game excursions are a continuing fun activity (!)

Laundry service available and WiFi available in all rooms. Emergency medical evacuation is available. Notwithstanding the Chief's extensive renovation and reopening June 1st, one thing has not changed Chief's extraordinary location and game-rich Moremi Island. The game-viewing here includes all of the "Big 5" (African lions, elephants, Cape buffalo, leopards and rhino) hence, our choice as a prime family safari site. Chief's renovation includes 10 luxury bush pavilions, all with private terrace plunge pools, 462 sq. ft. In addition to the 10 pavilions, a new feature is the 2,035 sq. ft. Geoffrey Kent Suite, sleeping 6. A family just returned from Chief's and was especially fond of the camp's new pizza oven (!) as part of the dining room extension.

Meals: Breakfast, Lunch, Dinner

Accommodations: Chief's Camp

Day 4 – Day 6

Chief's Camp

Expert guides will share their extensive wildlife knowledge while taking you around the Delta in an open 4 x 4 vehicle. This awe-inspiring opportunity will allow you to view roaming lions, antelope, zebras, buffalo, and wild dogs. Mokoro excursions are also offered for a different perspective of the bush as you will explore the Delta via a local dugout canoe.

Meals: Breakfast, Lunch, Dinner

Accommodations: Chief's Camp

Day 7

Fly Moremi/Livingstone

Upon arrival at the Harry Mwanga Nkumbula International Airport, you will be privately transferred to Sussi & Chuma Lodge.

Sussi & Chuma Zambezi River Camp

This camp is named after Dr. Livingstone's loyal servants who carried his body to the British authorities in eastern Tanzania following his death. Though we also like the 5-Star Royal Chundu further down the river, we feel Sussi & Chuma offers a more authentic Africa river/safari experience versus the more "Western"-style Royal Chundu. Comprised of 12 thatched treehouse luxury villas, the lodge is nestled on a 90° bend along the historic Zambezi River, 8 miles upstream from Victoria Falls. All the villa treehouses are designed in an open-style plan, including air conditioning, very nice soaking baths/glass-enclosed walk-in showers, and colorful local tribal artwork. Though small, the Sussi's river-edge pool offers a wonderful Zambezi picture(!) In addition to amazing food and personal service, the list of interesting/fun activities is impressive: walking safaris, regular vehicle game drives, canoeing, private catch-and-release fishing on the Zambezi (March 1 – December 1), and, of course, Victoria Falls! We feel the "Flight of Angels" helicopter ride over the Falls is a truly unique experience. Sussi & Chuma's special location on the Zambezi makes it a perfect safari/geographic contrast to the semi-arid landscape/game of the Okavango Delta.

Meals: Breakfast, Lunch, Dinner

Accommodations: Sussi & Chuma Zambezi River Camp

Day 8

Victoria Falls Helicopter Ride & Nakatindu Village Bike Tour

Following breakfast at Sussi & Chuma, you will take a helicopter ride over Victoria Falls to capture a view of this magnificent feature in action. Afterwards, you will be taken to the village of Nakantindi and will have the opportunity for community involvement. In particular, you may visit the Chipago Bike Shop that provides bicycles and mechanical support for local healthcare workers, students, and the surrounding community.

Day 9

Fly Livingstone/Johannesburg/Home
