

Please note that all of the itineraries listed in our web site are actual private tour itineraries we have prepared for clients over the past 12-18 months. By the very nature of what we do, each private tour itinerary is custom, exclusive and unique unto itself. Our over-riding goal is to create lifelong memories that you and your family will forever carry deep within your hearts.

Overview

Because of her studies of Greek mythology/history in the 4th grade, Greece holds a very special place in Zen's world of favorite places. The Pantheon, in the ancient district of Plaka, is the most interesting museum of Cycladic Art and is one of many excursions on our agenda which also includes: Marathon, Delphi, Corinth, and Mycenae. (We enthusiastically recommend reading Donald Kagan's History of the Peloponnesian War— a great preview for your Greek travels.) A fun supplement to Athens/Peloponnese and its nearby environments is a private yacht cruise though the pristine waters of the Cyclades— picturesque Santorini, Delos, Mykonos, and Crete, all within reach!

Hotel Grande Bretagne (RL)

Although we are not big fans of 200+ room hotels, we certainly make an exception for the 5 Star 320-room Hotel Grande Bretagne. With no real peer in Athens, this completely restored luxury property is ideally located in Constitution Square, only a 20 minute walk to the Acropolis. Some of our favorite features here are the rooftop restaurant (striking views of the Acropolis + the best breakfast in Athens!), the full service spa, heated indoor/outdoor pools (a must for family travel!) and the hotel's personal, high-touch attention to detail. Many

of the suites have private balconies, with all the rooms including original local artwork and antiques. The GB is truly the crown jewel of luxury hotels in Athens.

Day 5

Drive Athens/Mycenae/Peloponnese

You will first find yourself at the archeological sites of Mycenae and Tiryns, representing the two greatest cities of the Mycenaean civilization from 15th – 12th centuries B.C. We will plan a fun, delicious Greek picnic lunch for you as you embellish the beautiful local scenery. Your day will end at the Amanzoe, a Lynch family favorite and well-known by many of our clients and friends.

Amanzoe/Peloponnese (RL)

A Lynch family favorite and well-known by many of our clients and friends, Singapore-based AMAN represents the pinnacle of world-class luxury hotel/resort hospitality. While Peninsula, Four Seasons, and Mandarin may rule the 5-Star deluxe hotel category, AMAN alone occupies the elite level; small remarkably high-touch, singular, and personal.

Set on an olive-tree covered hilltop complex of 38 pavilions, Amanzoe is AMAN's only Greece property and we feel worth the trek from Athens. Then minutes from the quaint yachting village of Porti Heli, the three families we sent here in 204 were enthusiastic in their praise of this high-touch idyllic place. Similar to other AMAN resorts, the service here is singular and personal, with striking clean architecture, as the Amanzoe is designed to complement the Peloponnese local culture and setting. Each suite contains soaring windows, bedrooms that open onto patios and plunge pools and ultra-modern bathrooms (think huge showers!) Another added treat at the Amanzoe is its private, full service Beach Club (10 min away by shuttle), including a restaurant/bar and two impressive freshwater pools overlooking the Mediterranean. Great food, spa, and fitness center.

Though you are only here two nights, please note you will take a short ferry ride to the islands of Hydra and Spetses. Welcome to the world of AMAN!

Day 8

Drive Peloponnese/Athens + Fly Athens/Santorini

Upon arrival in Santorini, you will privately transferred to the Mystique Hotel Santorini.

Mystique Hotel Santorini (RL)

The 5-Star 35 suite/villa Mystique is perhaps our favorite luxury property in Santorini, our favorite island of the Cyclades. Luckily, based on your late-May stay here, you should miss the huge influx of tourists visiting the island Jun-Aug. The Mystique's vertically-accented design ensures amazing views of the blue waters of the Aegean Sea from all suites' private balconies (great views even from the bathrooms!). The hotel's white-washed walls and floors blend nicely with the color/tones of the many picturesque villages of Santorini. Ringed by 1,000 ft. cliffs, it is certainly no hyperbole to say that the unobstructed views from all public areas of the Mystique are jaw-dropping (!) Due to the vertical design alongside the cliffs, the hotel's cobblestone walkways, include many challenging stairs; attention to your feet and careful walking is respectfully recommended. Other big pluses here: great dining (though expensive), nice Asian spa, curvaceous infinity edged pool, and a 150 year-old wine cave. You should enjoy the quaint village of Oia, which is a short walk from the hotel, as well as the nearby Baxedes Beach (note: no sandy white beaches here, only volcanic black/red sand).

Grace Santorini (RL)

The 21-room 5-Star Grace Santorini offers a more modern/minimalistic contemporary aesthetic. Based on the past few years clients' feedback, we feel the luxury Mystique and Grace Hotels to be the highest quality properties in Santorini. Rest assured the 2-bedroom villa here is truly spectacular; total 400 sq. m. (4,305 sq. ft.!) with its own private spa treatment room with steam bath and Jacuzzi. The villa's double-level seating area and sundecks overlook your heated pool and outdoor fireplace. The hotel's amenities include a striking infinity

pool, a small gym and spa, and a noteworthy Greek restaurant (seafood specialty). The 2-bedroom villa even has an open-planned kitchen (fully equipped and pre-stocked), with a private chef available upon request.

Day 11

Speedboat Santorini/Crete

Following breakfast at your hotel, you will be met your guide and taken to the gateway point for your private speedboat to the island of Crete.

Elounda Beach Hotel & Villas (RL)

With a picturesque setting on Crete's Mirabello Bay, the 244-room luxury Elounda Beach Hotel is considered by most locals as the highest quality resort hotel in Crete. All rooms/suites/villas with furnished terraces, are situated directly on the water's edge. Although the luxury sea view rooms (redundant!) are stylishly designed, one stays here for the overall relaxing setting, including a very nice outdoor saltwater pool, golf course, nice garden/walking paths, and secluded white sandy beaches (finally!). The Elounda's holistic Espace Vitalite Chenot spa is quite noteworthy with plentiful and varied spa treatments. The hotel includes a total seven restaurants, including an extensive wine selection. Two couples that we booked here last Sept. enjoyed (and were quite amused) by the "Bar on the Sea" (The Veghera Bar). Please note dining costs here are certainly not inexpensive.

Today you will visit Knossos , the ancient Minoan palace and surrounding city of the island of Crete, ung of by Homer in his Odyssey: “Among their cities is the great city of Cnosus, where Minos reigned when nine years old, he that held converse with great Zeus.” Once the center of Minoan Crete, you will get glimpse of a once sophisticated society during the Bronze Age.
